	Article Size	up to 30 pages.

STRUCTURAL ELEMENTS OF THE ARTICLE

- 1. **Section of the journal**. (upper right corner of the page, font Times New Roman (Cyr), font size 14)
- 2. **Index UDC** (upper left corner of the page, font Times New Roman (Cyr), font size 14).
- 3. Surname, name, patronymic of the author (s), place of work (study), academic degree, academic title, position in three languages (Ukrainian, Russian, English) (If the article is written not in Ukrainian, Ukrainian translation is optional) (right corner of the page, font Times New Roman (Cyr), font size 14, bold);
- 4. **The title of the article is in three languages** (Ukrainian, Russian, English) (If the article is not written in Ukrainian, Ukrainian translation is optional) (center of the page, Times New Roman font (Cyr), font size 14, bold, all upper, ten words);
- 5. Annotations the volume of 200-250 words, in three languages (Ukrainian, Russian, English) (If the article is not written in Ukrainian, the Ukrainian translation is optional) (italicized from the paragraph).
- 6. **Key words** (at least 3 words or phrases separated from each other by a comma) in three languages (Ukrainian, Russian, English) (If the article is not written in Ukrainian, Ukrainian translation is optional);
- 7. The text of the article, which can be in Ukrainian, Russian, English. In the article, according to the resolution of the Presidium of the Higher Attestation Commission of Ukraine "On raising the requirements for

professional publications included in the lists of the Higher Attestation Commission of Ukraine" dated January 15, 2003 No. 7-05 / 1, the following elements should be identified (with emphasis in the text):

- The statement of the problem in its general form and its connection with important scientific or practical tasks
- An analysis of the latest research and publications in which the solution of this problem has been initiated and on which the author relies, highlighting the previously unresolved parts of the general problem to which this article is devoted;
- **Formulation of the objectives** of the article (statement of the problem);
- Exposition of the main material of the study with full justification of the scientific results obtained;
- Conclusions from this study and prospects for further research in this direction;
- **List of literature** (it is made out according to new requirements, which are published in the Bulletin of the Higher Certification Commission of Ukraine, No. 3, 2008);
- References in the Roman alphabet. (According to the new rules, which take into account the requirements of international citation systems, the authors of the articles should give a list of literature in two versions: one in the original language and a separate block the same References in the Harvard reference system, repeating therein The same order of all sources of literature, regardless of whether there are among them foreign).
